

# LECTURE APPLICATION

HOLISTIC FESTIVAL  
NOV. 7, 2026

Your Name \_\_\_\_\_

Your Booth Name \_\_\_\_\_

You must have a booth to present a lecture.

Lectures are offered free at the Festival. There is no fee to be a presenter.

Space is limited, as only one lecture is presented at a time.  
Unfortunately, we are forced to turn some applicants away each event.

Lectures are selected according to public interest, education & variety.  
Application for a lecture does not guarantee automatic acceptance.  
Earliest applicants receive the best speaking times - do not procrastinate!

The audience is attending your lecture to learn about your expertise -  
not to receive a sales pitch. Please keep this in mind when planning your talk.  
You must teach them a skill or share a piece of wisdom they can take home and use.

**Lecture time is 25 minutes - NOT 30 - PLEASE do not go over your allotted time.**

We only have a 5 minute window to clear the space and begin the next lecture.  
If you go overtime, you are going into the next speakers' time, making them begin their setup  
while you are still speaking. This makes it uncomfortable for everyone! Please respect this!

*Any special electrical equipment must be ordered from & paid in advance directly to CenterPlace.*
